What is a micro wedding?

A micro wedding is an intimate affair, typically with no more than 50 guests. They still feature time-honored traditions that make a wedding but on a much smaller scale.

Why choose a micro wedding?

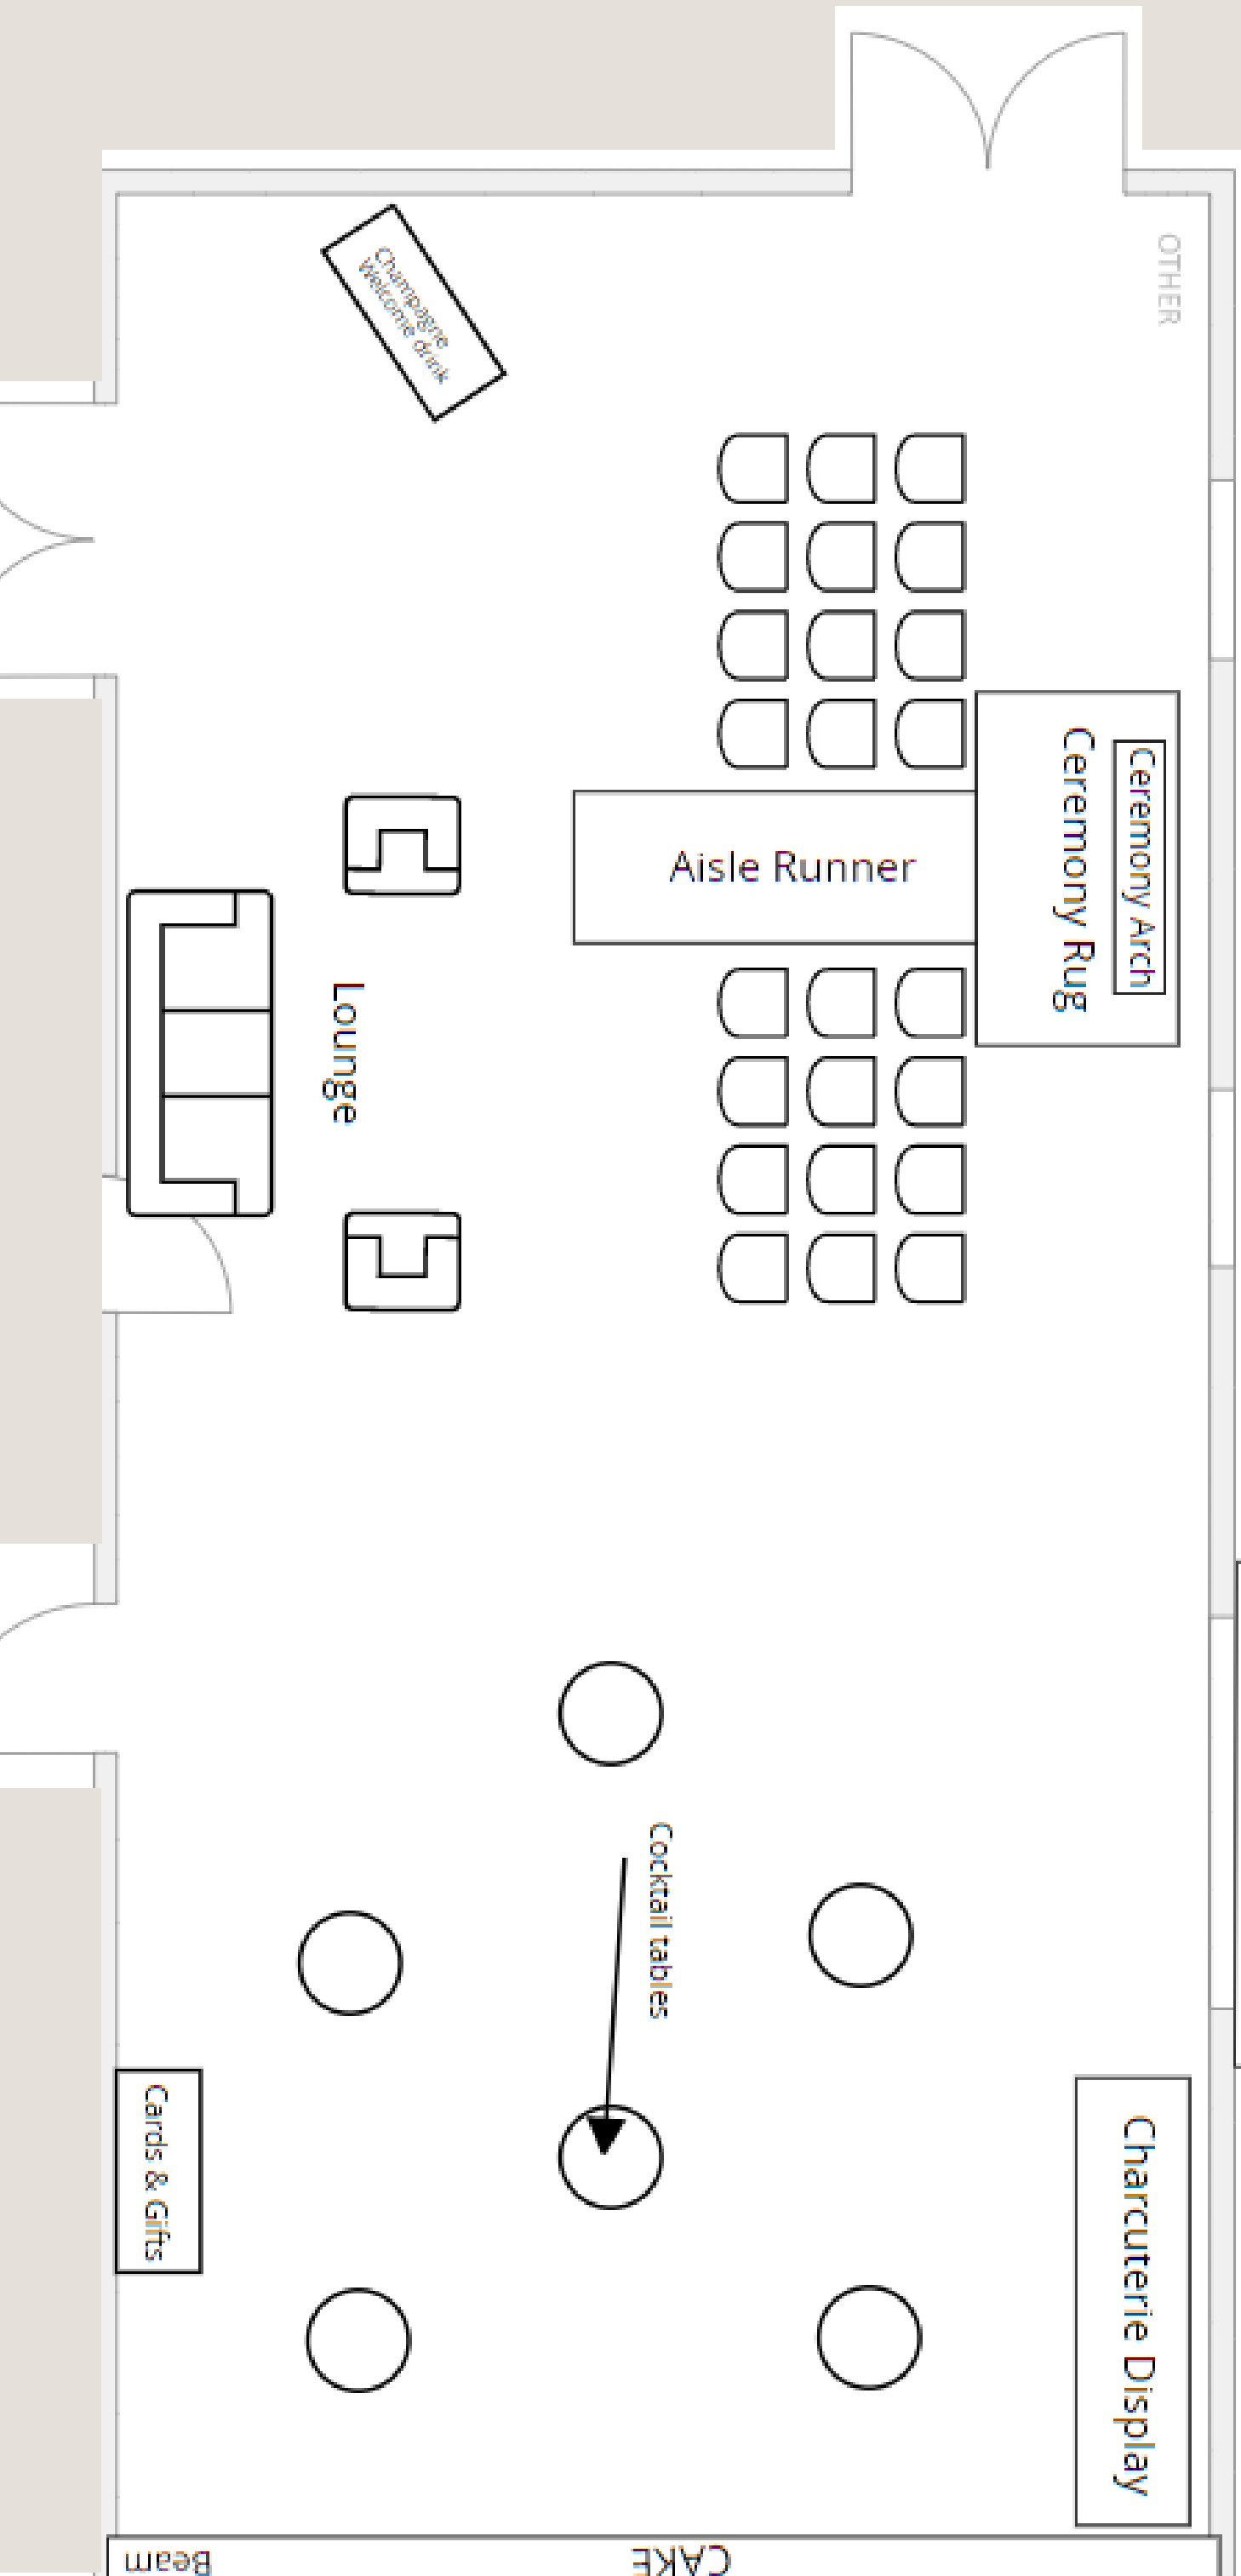

Micro weddings are less costly than a traditional wedding without compromising on style. The smaller scope of the event, particularly in terms of guest count, allows you to have greater intimacy with your guests.

Why choose a micro wedding with Hartlot Happening?

Our micro wedding package allows you the flexibility to choose your color scheme and style while we take care of the heavy lifting! Our package features a cocktail party reception after your ceremony which includes a beautiful charcuterie display and bar service with a limited menu. Continue your celebration by making a reservation at a local restaurant or book additional hours at Hartlot Happening and bring a food truck on site for dinner!
